Underground Fire Line Permit Application

Date of application: ___/___/___

Contractor Name: _____

Address: _____

City State: _____

Phone: _____ - _____ - _____

Fax: _____ / _____ / _____

The above listed application hereby makes application for:

The Underground fire line fee covers plan review, 1) inspection trip during installation, 1) Flushing of the system and 1) Hydrostatic test. If a return trip is required for any of the trips listed above an additional \$ 25.00 fee will be required to be paid for each additional trip. This additional fee must be paid prior to Certificate of Occupancy Certificate being issued.

I have read the above and understand the fees and terms. The installation of this under ground water line shall meet or exceed the latest NFPA standards.
